

# Milwaukee Chapter

Since 1919

## Chairman

David Kalchbrenner  
(920) 929-5813  
david.kalchbrenner@mercmarine.com

## Vice Chair

Daniel Kiedrowski  
(262) 782-6344  
daniel.kiedrowski@element.com

## Secretary

Nathan Arnold  
(262) 544-7816  
nathan.arnold@metaltekt.com

## Treasurer

Jim Schwaegler  
(262) 246-3400  
jrschwaegs@aol.com

## Gold Sustaining Members

ATI Forged Products  
Element Materials Technology  
Material Interface, Inc.  
MetalTek International  
Rexnord

## Chapter Sustaining Members

AO Smith Corporation  
Advanced Metal Treating, Inc.  
Anderson Laboratories, Inc.  
Aspen Consulting, Inc.  
Heat Treat Engineers, Inc.  
Mercury Marine  
Metallurgical Associates, Inc.  
Quant Corporation  
Rockwell Automation  
Thermet  
Thomas Industrial Services

2016/2017 Kick-Off Meeting & Brewery Tour

## Examples in Fracture Analysis Using SEM

Anthony J. D'Antuono, Sr. Metallurgical Engineer  
(Metallurgical Associates, Inc.)

Event Sponsor:

**Date:** Tuesday | September 13, 2016

**Time:** 5:30 – Brewery tour, discussion and tasting  
6:30 – Dinner followed by presentation

**Location:** Raised Grain Brewing Company  
2244 W. Bluemound Rd., Waukesha, WI 53186

**Cost:** **\$30** Members | **\$35** Nonmembers | **\$15** Retirees and Life Members  
**Free** to Students, Members between jobs, Gold sustaining member reps  
and Meeting sponsor (2 attendees)

**RSVP by:** Friday | September 9 \*\*  
Register online at [asm.milwaukee.org](http://asm.milwaukee.org) or contact Jim Schwaegler  
jschwaegler@toolsinc.com | (262) 246.3400, Ext. 217

**Technical Chair:** Jim Myers, MetalTek International  
(262) 650-7185 | [jim.myers@metaltekt.com](mailto:jim.myers@metaltekt.com)

**\*\* Due to space limitations, registration will be limited when capacity is reached. Please register early to reserve your spot. Registration is required by September 9 (payment not required at time of registration).**

Join us to kick-off the Milwaukee Chapter 2016/2017 year of events. We are delighted to start this year's activities at Waukesha's newest (and award winning) craft brewery, Raised Grain Brewing Company, located near Goerke's Corner. Come for an in-depth tour given by one of Raised Grain's founders. There will be ample opportunity to try some of the many craft brews available for those 21 and over. The tour will be followed by a catered dinner in the Brewery.

Following the dinner will be a presentation by Anthony J. D'Antuono, Senior Metallurgical Engineer at Metallurgical Associates, Inc. entitled, "Examples in Fracture Analysis Using a Scanning Electron Microscope (SEM)." Tony has a degree in Physics and Chemistry Education from UW-Eau Claire as well as a degree in Materials Engineering from UW-Milwaukee. Prior to his career at Metallurgical Associates, Tony has also worked in the chemistry lab at MetalTek International and has taught Physics and Chemistry at Muskego High School. Tony, his wife Sarah and their one-month old son, Vincent, live in Waukesha. Tony spends his time home remodeling, cooking, and enjoys spending time with his family.
